

### Warren-For-Gov. Headquarters In Torrance Natl. Bank Bldg.

Warren for Governor headquarters for Torrance, Lomita, Shos-  
tring and Keystone areas have been opened in the Torrance  
National Bank Building, William H. Tolson, chairman of the local  
Warren committee announced.

A meeting of Warren supporters was held in the headquarters  
on Monday night to map plans for a campaign in this area to get  
out a record Warren vote.

The headquarters will be open  
daily until election day, with  
Mrs. Virginia Selover, office sec-  
retary, in charge.

Absentee ballot applications  
will be available both for civil-  
ians and those in the armed  
forces.

Any one who has a relative  
in the armed forces can get an  
application for an absentee bal-  
lot in headquarters and mail it  
to that person," Tolson said.  
"This must be done immediately,  
because the application must be  
mailed and in the hands of the  
Registrar of Voters by Novem-  
ber 2, and the ballot must be  
back on election day."

Tolson also called for volun-  
teers to assist in getting out the

vote, for telephone work, baby  
sitting, transportation of voters  
to the polls, and for addressing  
envelopes. He said volunteers  
should contact the office and  
leave their names.

"This is not a Republican cam-  
paign," Tolson said, "it is a War-  
ren campaign, and both Democ-  
rats and Republicans are wel-  
come to lend a hand to return  
Warren to the governor's office  
for another term." More than 50  
persons already are on the local  
Warren for Governor committee,  
Tolson said. Tolson named Frank  
S. Selover secretary of the  
group.

### More Magazines Needed for Servicemen

Legion Chaplain C. J. "Paddy"  
Ryan wishes to express his ap-  
preciation to the citizens of Tor-  
rance and vicinity for the man-  
ner in which they responded to  
his plea for magazines and  
other reading material to be dis-  
tributed to our boys in the serv-  
ice.

The materials turned in to  
Alter Realty & Insurance office  
at 1425 West Carson St. have  
already been happily received by  
the army posts. However, more  
are needed, so Torrance people  
are urged to keep up the good  
work.
