

"The Greatest Discovery Of All Times," Religious Science Text

Sunday, February 11th, at the Church of Religious Science, Masonic Temple, Ruby at Catalina, in Redondo Beach, Rev. Barnum will discuss "The Greatest Discovery of all Times." The statement "As a man thinketh, so is he" is very apt, said Rev. Barnum; for man's greatest discovery was that he could think, that he has an individual use of mind which flowed through the physical organ known as a brain.

This mind, when put to use, created pictures that could be given form. The forms are expressed in action much as a child sitting before a smooth sheet of paper paints with its fingers and allows his thoughts to emerge in brilliant colors and shapes upon the paper.

He is painting the thoughts of his own consciousness or awareness. They may be gay, happy, sad or forlorn but they are him at his present level of understanding and experience. He is choosing which thoughts flowing through his mind will be brought to life on the page.

So man is learning to choose those happy constructive thoughts which bring more harmony and happiness into his life. "The Workshop of Life" with Mrs. Marjorie Barnum as speaker, meets Wednesday afternoons at 1 p.m. On February 7, her subject is entitled "I am not afraid." On the first Wednesday of each month the regular hour of meditation and treatment is preceded by a social hour in
