An overflow crowd is expected to view this outstanding colored

Religious Science Text, 'How To Change Conditions'

Sunday, February 25, Rev. Barnum of the Church of Religious Science Redondo Beach, will speak on "How to Change Conditions."

"Remember" stated Rev. Barnum, "in order to be free of or to change a given condition, we must be free in it. We must have a positive, receptive attitude of mind, and being of this mind, we are able to recognize and act upon all ideas which come our way for we are actively neutral and not biased in our thought."

Kentucky has 1,613 miles of improved natural waterways — more than any other state.

'Mind' Christian Science Bible Lesson Subject

The fact that there is only one real Mind—the Mind that was in Christ Jesus—and that this Mind, understood, destroys sickness and sin is stressed in the Sunday Bible Lesson in all Christian Science churches.

This declaration from Psalms is the Golden Text: "The counsel of the Lord standeth for ever, the thoughts of his heart to all generations" (33:11).

Scriptural selections in the Lesson-Sermon include this admonition of Paul to the Romans: "Be not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God" (12:2).

"No pedestrian shall walk up on any roadway outside of a business or residence district other than close to his left-hand edge of the roadway." (Vehicle Code Section 564.)
