## Warriors Face Santa Monica, Orange Coast In Tough Tilts

El Camino's Metropolitan Conference baseball competition continues this Friday, March 9, as the El Camino nine travels to Santa Monica to take on the Corsairs.

On the following Tuesday, March 13, the Warriors squad will entertain Orange Coast in a non-league affair on the El Camino diamond. Game time is 3 p.m.

El Camino's league opener with Bakersfield scheduled for last Friday, was postponed and will be played as part of a double-header when the two teams clash in second round play at El Camino.

El Camino has racked up an impressive practice record thus far in the season, and should be a definite contender to retain the Metro championship which they grabbed in 1950.

Santa Monica will probably start veteran Larry French, a 225-pound right-hander, on the mound, and the Warriors will counter with either Don Young or Tony Rata. The Warriors have averaged over five runs per game in their practice tilts and will be led offensively by third base-man Johnny Mitchell, outfielder Gary Van Vliet, first base-man Bob Jones, and catcher Ron Garner. All are batting at a .300 plus clip and will give enemy pitchers many hectic moments during the season.

Orange Coast took advantage of all the breaks handed them to gain a 2-2 tie with Coach Doug Essick's nine several weeks ago, and the Warriors will be out to gain revenge for this blemish on their record. George Bishara is due to take the mound for the Esstickmen.

## Building Here For Feb. Hits \$1,448,780

Torrance's post-war building boom continued unabated through February as building permits for the month totalled \$1,448,780.

This brings the value of permits issued for the year to date to \$2,519,760, according to the city building inspector's records. In comparison, a total of \$1,513,845 in building permits was issued in February, 1950, bringing the value for the first two months of last year to \$2,066,885.

New construction begun last month included Torrance Gardens' 86-home tract valued at \$725,900 at Torrance Blvd., between Maple and Madrona avenues. In addition, a \$250,000 permit was granted for construction of a Torrance telephone building at Cravens and Engracia avenues, and \$176,000 in permits for three buildings at the new Greenwood ave. elementary school.

New homes started during the past week include a \$10,500 six-room stucco residence for K. F. Nance, at 436 Via Linda Vista, an \$8400 dwelling and garage for James Breneman, at 309 Via Colura, a \$7500 five-room frame residence for Cecil L. Hudson at 1702 Arlington ave., and a \$18,000 dwelling for I. E. Sore at 24484 Neece.

## Local Pianist To Play 'Music World Loves'

"An Evening of Keyboard Music the Whole World Loves" is the title selected by the Torrance Concert Orchestra for their next free public concert to be held on Friday evening, March 16, in the Torrance High School Auditorium.

Director Abe Milstein announced that five of Torrance's most promising young pianists will be heard at the concert grand on this program. Soloists were carefully selected to represent various stages of musical accomplishment, and their ages range from 10 years to 21 years.

Local residents will be interested to learn that the follow girls will be heard in this recital and concert: Nancy Ann Whyte, Torrance High School graduate in 1948 and now a music major at Mills College in Oakland; Pat Clere, Torrance High School graduate in 1949 and now a music major at El Camino Jr. College; Mickey Van Deventer, student at the Torrance High School; Katherine Curtis, student at the Torrance Elementary School; and Mary Elizabeth Be-lover, student at the Fern Avenue School. Every student of piano will profit from hearing these young musicians.

The orchestra of 40 players will present numbers which were composed for the keyboard instruments but were transcribed for orchestra because of their immense popularity. A partial list that will be heard follows: Chopin's Polonaise, theme used in the movie "A Song to Remember" with Merle Oberon and Cornell Wilde; Tchaikovsky's Concerto, theme adopted for Freddy Martin's "Tonight We Love"; Claire de Lune by Debussy, heard regularly on popular afternoon radio serial; Grieg's Concerto, thrilling theme in the "Song of Norway"; Rachmaninoff's famous Prelude in C Sharp Minor, and from the same inspired pen his music to "Full Moon and Empty Arms." Also to be heard will be music by Schubert, waltzes by Strauss, and Percy Grainger's salute to Spring, "Country Gardens."

This free concert is sponsored by Torrance Adult Education and the public is cordially invited to attend.

## Warriors Enter Citrus Baseball Tournament

El Camino's horsehiders have entered the Citrus Baseball Tournament which will be held in Azusa, California, on March 15 through 17. The Warrior nine will be defending their consolation championship of 1950 and will try to come through with the regular championship, this year.

The Warrior nine will face Central J. C. (El Centro) in the first round of action on March 15. Tournament rules are that a team is eligible for the championship until they have been defeated twice. Then, after two defeats, they fall into the consolation category.

Twenty other teams have been entered thus far in this Southern California Junior College Baseball Tourney, including six Metropolitan Conference teams. Competing are El Camino, San Diego, Los Angeles Harbor, Long Beach CC, Los Angeles Valley, East Los Angeles, Cal Poly of San Dimas, Clarence Pierce JC, Citrus, Compton, Fullerton, Glendale, Los Angeles CC, John Muir, Orange Coast, Pasadena, Phoenix, Riverside, Santa Ana, Mount San Antonio, San Bernardino and Ventura JC.

## Woman Overcome By Fumes Saved By City Firemen

Save for the quick action on the part of her employers and the Torrance fire department, the life of Florence Ringold, 39, maid at the home of Layton Lowe, 17104 Wilkie Ave., might not have been saved when she was overcome by fumes Monday night.

The woman was found unconscious by members of the Lowe family who became suspicious when she did not appear for breakfast about 9 a.m. They broke through a window of her garage apartment at the Lowe residence to find her unconscious in bed. All doors and windows in the apartment were closed and a gas heater was blazing.

The fire department resuscitation crew, headed by Capt. Gene Walker with Firemen Sam Martin and Ed Polston, worked on the woman for more than half an hour before reviving her. She is expected to recover fully.

## Bandit Suspect Nabbed Here

The "milkman bandit", who reportedly has admitted armed robbery of two milkmen in Downey and Lakewood Village, and two women in Lynwood Sunday, and then eluded sheriff's deputies in an auto chase, was apprehended in Torrance late Monday, according to Det. Sgt. Mike Aurs.

The suspect is 29-year-old John Eugene Farley, Torrance dry cleaning establishment route man. His home address has not been ascertained, Aurs said.

Victims of the gunmen Sunday were Kenneth Lee Decker, 21, El Monte, who lost \$6.68 when his truck stalled at an intersection at Downey Ave. and Imperial Hwy.; Downey; Homer L. Sigler, 23, of 6146 Nevada Ave., Hollywood, who was robbed of \$8 when accosted on Pepperwood when accosted on Pepperwood Ave. in Lakewood Village; Zora L. Troz, of 840 Hoffman St., Long Beach, and a companion, Mary Ann Appleton, victims in the Lynwood holdup.

## 'Pictures We Live With' To Be Shown At P. V. Gallery

The coming exhibit of the Palos Verdes Community Arts Association, "Pictures We Live With," opens March 10th at the Library Gallery and continues through April 6th.

Pictures are borrowed from the homes in the South Bay area. The idea is to show what pictures people in the community buy and enjoy living with.

Last year a similar exhibit was held and proved most successful. It caused a certain amount of comment and was received with great enthusiasm. This is the type of exhibit that everyone enjoys.
