Realtors to Hold Panel Talk in July

The 21st District of the California Real Estate Association has set on its calendar for the month of July an informative and interesting panel discussion on real estate and civic activities to be held in the Torrance Municipal Auditorium, was announced this week by C. J. "Paddy" Ryan, president of the Torrance-Lomita Realty Board.

Many city and county officials as well as state officers of the California Real Estate Association will be asked to participate in this discussion, being offered as a free public service to the people of the community.

Local realty boards, making up the 21st District, are the Torrance-Lomita, Hawthorne, Inglewood, South Bay, and San Pedro boards.

Customers' Corner

A few years ago we had quite a few complaints about the delay at our checkout stands.

We worked hard to solve this problem by increasing and improving the stands and training our checkers to do a more efficient job.

Has this effort paid off in your A&P?

Is there a minimum of delay at the checkout stand?

Our checkers strive constantly to be courteous, efficient and accurate.

If you have any suggestions that will help them improve our checkout service, please let us know. Please write:

How to make good telephone service even better...

Your 'information' operator is on the job to serve you... with numbers not listed in your directory. And smart telephone users call her only when they don't find the number they want in the telephone book. Why, they say, make two calls when one will do?

Why not keep a list of Long Distance numbers too?

Wonder how many long distance users have discovered that a list of the out-of-town numbers they call can be a mighty handy thing. Saves time, you know, if you place your call by number rather than just by name and address. So, next time you call, why not jot down the number of the person you're calling when your long distance operator reports it to you... and start your own long distance number list?

Lots of people spend lots of time designing your telephone set for both beauty and efficiency. Gadgets and attachments only clutter up its clean lines... and perhaps impair its efficiency.
