

Formal Setting at Marriage of Beverly Hopkins and James Post

A formal afternoon altar ceremony solemnized the marriage rites of Beverly Hopkins and James Post last Sunday afternoon at the Torrance Episcopal Church. Rev. Arthur Bello officiated.

The bride is the daughter of Mr. and Mrs. Sidney Hopkins, of 1538 Post ave. Post is the son of J. Wallace Post, of 1448 El Prado st.

Given in marriage by her father, the bride wore a white organdy gown with eyelet embroidery and a fingertip net veil. She carried a bouquet of yellow-

throated white orchids, in keeping with the yellow and white color scheme of the wedding.

The maid of honor, Gloria Caravacel, as well as all the bridesmaids wore gowns of white organdy over a yellow taffeta slip and carried yellow and white "glamella" nosegays.

GOWNED ALIKE

The bridesmaids, all U.C.L.A. sorority sisters of the bride, were likewise gowned in white organdy over yellow taffeta, carrying yellow and white "glamella" nosegays.

Attending the groom as best

man was his brother, George Post. The groom's other attendants were Rick Gorman, Robert Leech, Bob Tolson, and Murray Rudnick.

RECEPTION

The approximate 200 wedding guests were welcome at the home of the bride's parents for the reception. The home as well as the church carried out the yellow and white wedding colors by being decorated in yellow and white gladioli and daisies. A four-tiered wedding cake was center of attraction at the reception.

Both graduates of Torrance High School, the bride is an education major at the University of California at Los Angeles where she has been attending for the last three years. She plans

to continue with her schooling to get bachelor's degree.

U.S.C. GRADUATE

The groom is a June, 1951 graduate of the University of Southern California. He is now employed by a well-known insurance concern.

With a week's honeymoon planned by the newlyweds, the young couple has not as yet made plans as to where they will reside.

Get an electric home food freezer now...

and have less cleaning up to do!

DO YOU TAKE PRIDE in your home-made pies and pastries, but hate the job of cleaning up after baking? Then being able to serve fresh baked goods every day but only doing the clean up once in a while is certainly a trick to your liking. And exactly that is within your power, when you have an electric home food freezer.

You just set aside a baking day, and then bake for weeks ahead—that's all there is to it. Instead of a pie or cake, mix several—one for the oven, the rest for your food freezer. When

you've done the cleaning up on that one day, you're all through. You have a stock of ready-to-bake pastries on hand, and all you do is take 'em out and bake 'em when you're ready. That's all there is to it. You're a cook for a day and a queen for weeks or more. You'll find it's not only easier but less expensive to bake this way.

Summer time is the very best time to buy and stock a home freezer. Your dealer has a variety of styles and models including the one that is just right for you. He can show you how food budget savings will pay for it, too—so why wait? See your dealer now!
