

## Two Motorbike Events at Carrells This Week-End

The mighty motorbikes of the AMA swing into a double-barreled program Friday night and Labor Day evening in two events which should go a long way toward proving just who is the '51 riding kingpin at Carrell Speedway, home base of the two-wheelers. First of all the mighty bikes hook up in a regular Friday evening program headed by a 20-lap main event over the half mile Gardena saucer, fastest in the country.

Then the AMA fraternity, headed by Tex Luce, Bert Brundage, Bob Shirey, Bud Hogan and Eddie Kretz, Jr., return Labor Day night for their annual 40-lap sweepstakes, blue ribbon event on the association's calendar.

The Sweepstakes will be contested over Carrell's brand new road type course, a rugged affair with six right and left kinks. Experts who have watched construction work on the new track have unanimously proclaimed the Sweepstakes track the toughest of its kind ever built.

It will be in tip-top shape before the big event. Track Manager Don Basile said yesterday, and the riders will have plenty

of opportunity to test it out prior to the running of the annual classic.

More than 75 entries have been filed for the two big race cards. Time trials for Friday night's race and the Sweepstakes have been set at 7 p. m. with the programs getting underway at 8:30 with the running of the trophy spins.

No increase in prices has been made for the Sweepstakes with youngsters under 12 still getting in free if accompanied by an adult. Admission is \$1.25.

Wines from all parts of California, which have won renown at home and abroad, will be featured at the California State Fair, August 30 through September 9.

**RINGS THE BELL WITH SCHOOL VALUES**

**COMPLETE SELECTION GYM SHOES**

for the fellows

**\$2.59**

- Cushion Insole
- Non-Skid Sole
- Washable Uppers
