

WHAT THE Ben Cluff Dairy won't do to satisfy a customer. Today Boyd Moody, 32, route manager stood on his head as this picture was snapped at Ben Cluff's Dairy Headquarters located at 22028 So. Avalon Blvd., Torrance. "We will not only bring your milk right to your door, but if in the icebox, but the route manager will also stand on his head if requested," declared Ben Cluff. "We are going all out to serve the people with the best dairy products and service," Cluff said.

City Man's Life Ends

Funeral services were held last week for Robert Taylor Russell, who died at Harbor General Hospital after a short illness. Russell, who had lived in Torrance for 28 years, was an employee of the city street department for 27 years. He lived at 1735 Date avenue, and was a native of Maryville, Tennessee.

He leaves his widow, Tennie, at the Date avenue home, and a son, Earl Richard, at 1775 Date avenue, and a son, Elton Robert, with the 40th Division in Japan. A daughter, Mrs. Lola Evelyn, lives in San Rafael.

Services were held at Stone & Meyer's Chapel, Wednesday afternoon at 2 p. m. Interment took place in Green Hills cemetery.

YWCA Plans New Program

Great progress has been made in the activities of the Torrance Chapter of the YWCA since the opening of the new club building. Previously hampered by lack of space, the club is now planning a more complete program.

Mrs. Charlotte Lukes, YWCA representative, said, "This building will permit an expansion of the many services and activities of the YWCA. It will now be possible to increase membership and establish many new programs."

Funds for the construction of the building were raised by many civic activities and the generous donations of the people of Torrance. Almost all building materials and labor were donated according to Sam Levy, Building Chairman.

Levy said that the land for the building is being leased from the City of Torrance for \$1 per year for a fifty year lease.

A feature that the YWCA is looking forward to adding is an outdoor barbecue as soon as funds can be raised.

Favorite round dances offered. A dance exhibition given by Mrs. Angie Stork and Mr. Clarke Kugler and Lee Boswell. Refreshments and door prizes.

Square Dance Tomorrow Night

There will be a special square dance open to the public in the Civic Auditorium, on Friday, Nov. 30th, at 8:00 p.m. Live music played by Dusty and Bobby. Callers will be Mr. Clarke Kugler and Lee Boswell. Fun and specialties for all.

Local Residents Attend Concert

Torrance residents, for practical purposes, took over the El Segundo High School Auditorium last Monday evening when vivacious soprano Miliza Korjus had the house resounding with bravos after every number she sang.

At least fifteen members from this area cheered and applauded as Miss Korjus thrilled the audience with an all-Strauss program. The Inglewood Symphony Orchestra was under the baton of Ernst Gebert.

Among the many from the Torrance area who attended the concert were Mr. and Mrs. W. H. Beckman, Mr. and Mrs. Paul Bennett, Mr. and Mrs. Tom Nabin, Mrs. Neva Boyer, Mrs. Albia Kilgore, and Mrs. Lois Gettman, all of Hollywood Riviera and all members of the Los Caneleros Choral Group.

Mr. and Mrs. Durwood Law, of Hollywood Riviera, Mr. and Mrs. Markle Sparks and Ray Giggins and his daughter, Nancy Groggins, of Seaside Ranchos, were also present at the event. After the concert, W. H. Beckman, member of the Los Caneleros Choral Group said that this excellent musical group is looking forward to presenting a concert program in Torrance this spring.
