## Bill Micka New Roth Manager

Bill Micka will celebrate his first month as manager of Roths Market in Torrance on December 5.

J. Bohannon who had managed the Roth Store here took Micka's place as manager in Hawthorne.

"Torrance is really in my blood," said 26-year-old Micka, better known as "Lucky" to his many friends. "I've lived in the South Bay area most of my life, and I worked as assistant manager in the Torrance Roth Market shortly after it opened."

Lucky has been with Roth's for seven years. He originally got his start in the grocery trade with the Walter Forrest Market in Hawthorne.

He has been married for the past two years and four months to a registered nurse. He admitted that he once had been interested in medicine but that he is more fascinated with his new job in Torrance.

He attended Loyola High School, Loyola University, and also USC.

As a veteran of three years service with the Navy, "Lucky" spent some time aboard the Aircraft Carrier Hornet and left the service as an ensign.

The young manager's hobbies are guns, hunting and fishing. He is very proud of a Japanese .32 caliber snapper rifle among others which he possesses.

Lucky now lives in Redondo Beach, but he and his wife are looking for a small house in Torrance, he revealed.

## Prize Won By 'Y' Boy

First prize as top ticket salesman for the YMCA "Good Neighbor" breakfast went to James "Ricky" Boucher, of 1618 Crenshaw boulevard.

Ten-year-old Ricky has been a member of the YMCA for two years. He sold 44 tickets, collecting \$41 for the fund-raising breakfast. Second prize winner has not yet been determined.

A fifth grade student at the Greenwood Elementary school, Ricky had a choice between a camping trip or a jeweled, shockproof waterproof watch. He selected the wristwatch.

## Gardena Court Changes Name

The Board of Supervisors last week officially adopted an ordinance changing the name of the Gardena Justice Court to the South Bay Cities Township Justice Court. Also approved was a license agreement with the Southern California Edison Co., permitting the County to install a four-inch sewer line on the Edison property - westerly of the site on which the new Courts Building is being constructed - which will be connected to the main trunk line.
