Sponsored by KIWANIS

KEY SALESMAN — Charles Dean, member of the Narbonne High School Key Club, sponsored by the Lomita Kiwanis Club, uses his salesmanship on good Dorothy Sandoval as he attempts to make a sale on a Christmas tree. The Key Club is selling Christmas trees at Pacific Coast Hwy. and Western Ave. to raise funds to purchase an electric scoreboard for the high school gymnasium.

AUTO CRASH ORPHANS BOYS AGED 8 AND 11

Christmas just won't seem the same this year for two small boys who were orphaned early this month by an automobile crash. Only a small family gathering is planned for the Yule observance. Both of the boys were seriously hurt.

Richard Harwood, 8, has been released from Harbor General Hospital in Torrance and returned home, 2542 Adams St., where his grandmother, Mrs. Marta Ong, of Medford, Oregon, is taking care of him.

David, 11, his brother is still at the hospital with a serious injury of his right leg. He had several blood transfusions but there's a chance he may get home for Christmas, although he definitely would have to return the day after.

Both boys were injured in the same accident which took the lives of their parents, Mr. and Mrs. James E. Harwood.

Richard, is it reported, has been told about the deaths. His uncle, George Ong, said the lad cried a little and went away to be by himself for awhile when he was told.

Ong revealed that he may tell David on Christmas when most of the family will be together.

All the boys have asked for this Christmas is a few puzzles, Ong disclosed.

"They never had too much, and they don't expect too much," he declared.

If Richard can't come home, the family will visit him at the hospital.

Award \$65,000 To Lomita Man

A Lomita man and two others who work for the Petroleum Maintenance Company, were awarded \$95,000 for injuries and burns by Long Beach Superior Court last week. The suit was filed against the Texas Company.

The men were doing repair work when an explosion occurred on a "vertical still for the Texas Co.," Pacific Coast Highway and Alameda.

The Lomita man, Leslie Meloy, was foreman on the job. He received \$65,000. The case was in court for five days, and the jury deliberated for two hours before reaching a decision.

How to make good telephone service even better....

You won't miss important calls if you're a good telephone neighbor

Your party-line neighbors will consider you a real friend if you remember that often, they, or someone in your family may be expecting an important incoming telephone call. These other simple points will also help to insure better service: When you have a series of calls to make, allow a few minutes between them • Replace the receiver properly after calling • Always make sure the line is clear before you make your calls.

faster long distance service can be yours, if you give the operator the out-of-town number you're calling—rather than just the name and address. That way, you see, you won't have to wait while she finds out the number from "Information" in the distant town you're calling.
