Trash Tax for Recreation to Be Held Up

At a special emergency meeting held last Friday evening by the Recreation Commission at the City Hall, the group decided to hold over the 15-year recreation program for a special election in June. It was to have been financed by a 75 cent per home waste tax.

"I'm opposed to making a political football out of recreation," said J. A. Beasley, a member of the Commission, as he made the motion to recommend to the City Council that the measure be left off the April 8th Councilmanic balloting. The motion was seconded by commissioner Paul Roetger. The commission seemed to be unanimous in its opinion that recreation should be kept out of politics.

Candidates

Three possible contestants took out applications for city elective positions as the Press closed its forms, according to A. H. Bartlett, city clerk.

Applicants were incumbent Ed Karlow who undoubtedly plans to run for City Council and Stanley Heiman—also a councilmanic candidate.

The third application was taken out by Harriet V. Leech to replace herself as city treasurer.

Drale Presents Wage Increase

Outnumbered as usual, Councilman Nick Drale presented a motion to give City workers a 10% raise. He couldn't even get a second to his motion.

"Those workers need that raise badly," said Drale. "Even if my colleagues refuse to see it that way, I want it to appear in the record."

Ridgway Scores For UCLA With Kirby's Shoes

Dick Ridgway, the key to UCLA's title hopes in the Pacific Coast Conference Southern Division race, will definitely finish out the season with Kirby's Shoe Stores' AAU basketball team, it was learned today.

Ridgway, whose tremendous scoring ability has helped establish Kirby's as the outstanding AAU team in the Southern California area, became scholastically eligible at UCLA last week at the turn of the semester. The six foot four inch blond bomber led the Pacific Coast Conference in scoring last year as a sophomore.

Showdown for state honors comes Friday night, February 15th, when Kirby's hosts the Oakland Engineers, powerful leaders of the National Basketball League, at Los Angeles City College in Los Angeles. This will be the only meeting of the two AAU rivals until the national tournament in Denver.

DICK RIDGWAY uses Kirby's shoes as he rings the basket for scores.
