

### Honey Bear Has Competition in Her Own Kennel

Honey Bear, reportedly the smallest chihuahua on the West Coast, is going to have some competition right in her own kennel. Mrs. M. Aronoff, owner of Marjul Kennel 7½ weeks ago is already underweighing Honey Bear at the same age.

Rito, the new mite, currently tips the scale at 10 ounces. Honey Bear at 7½ weeks was an outsized 12 ounces. Rito and his twin sister, Rita, who weighed 11 ounces, are attracting a lot of attention in Kennel circles, especially since both dogs have perfectly shaped heads, Mrs. Aronoff said.

The little dogs are being fed on a diet of Kibble, milk, horse-meat and garlic. They eat less than two tablespoons each day.

Mrs. Aronoff has started training the twins but they cannot enter competitions until they are six-months old.

SLATED TO ADD more laurels to Marjul Kennel's long list of first prize awards is Rito, mite-size chihuahua, who was born on February 29. Rito at 7½ weeks weighs a mere ten ounces. Although Rito won't enter competition until he is six months old, it is expected that he will underweigh his famous half-sister, Honey Bear, reportedly the smallest chihuahua on the West Coast. As you can see Rito could probably sleep in a soap dish and still leave room for the soap.

### 2 New Tracts Scheduled for Construction

A 58-home tract to cost approximately \$700,000 is pending final approval by the Planning Commission before beginning construction west of Western Ave. at 243rd St.

About half of the homes will be within the boundaries of Torrance, the rest will be in Har-

bor City, an official of the Linde Finance and Development Corp., builders of the tract, revealed.

Tentative maps for another tract, this one to have 35 homes, was approved by the Planning Commission recently.

The commission also decided to study the possibility of elim-

inating numerous street names here which duplicate one another. Martha St. and Martha Ave. were cited as an example of such duplication.

### Board Officers Named by "Y"

Officers of the Board of Directors of the Torrance YMCA were named at last Thursday's regular business meeting of that group.

Dr. R. Smith was elected chair-

man, and Wm. Patterson is the new vice-chairman. The secretary for the coming year is Warren Hamilton, and Robert I. Plomert will serve the Board as treasurer.

The new officers will perform their first official function when they attend the Los Angeles Metropolitan annual YMCA meeting on May 1, at the Hollywood Breakfast Club.

### Swim Awards

Climaxing the annual YMCA "Learn to Swim" week, 150 Torrance boys were last Friday awarded "Learn to Swim" Certificates at the "Y." Jim Krueger and V. T. Vanderpool passed out the awards to the boys who completed the swimming course which was taken at the San Pedro YMCA pool during Easter week.
