

### Gold Star Mothers Feted by Legion

Gold Star Mothers will be the guests of the Ladies Auxiliary of the Bert Crossland American Legion Post at their annual dinner Tuesday, May 13, at the Legion Hall.

The cuckoo, which places its eggs in the nest of other and smaller birds, does it through necessity. The largest of the insectivorous birds, it requires a large quantity of food, keeping it constantly on the search. If it sat on its eggs, it could not obtain the food; if it left its eggs, they would become chilled.

### New Church Has Daily Service

The Harbor City Revival Tabernacle, Normandie at 256th St., continues revival services with Evangelist and Mrs. Harry Cronk of Oregon, each night at 7:30. These youthful evangelists are attracting widespread interest to this new church, according to Rev. Fred Martin, pastor. Special music and singing is a feature of each service. "The Martins" can be heard over KFOX at 10:05 a.m., Tuesday through Saturday.

### Red Cross Blood Mobile Here June 2

In response to the urgent appeals of the Armed Forces for blood plasma, a Red Cross blood mobile will be stationed in front of the Civic Auditorium on Monday, June 2, between 2:30 and 7:30 p.m.

W. A. Falter, newly elected chairman of the Torrance Red Cross, will be in charge of operations. Red Cross officials urge every citizen to respond to the demand for blood in Korea. Torrance fell short by fifty pints in the last blood collection drive, they said. To keep the supply flowing to our boys fighting overseas, it is essential that we top the quota every time, they stated.

The convenient coupon on the front page of the Press will assure donors quick service at the blood mobile. For further information call the Red Cross office, Torrance 3447.

### TEAC Slates School Visit

Following the luncheon all persons attending the meeting will be invited to board a school bus for a visit to the new Madrona School, the first "tilt-up" construction school in California. The building will be inspected and Dr. J. H. Hull, Superintendent of Schools, will outline details of cost and construction.
