

From what I hear, there will be a Civilian Defense meeting on May 8th at the home of Mrs. Guy Richardson, 3314 Primm Way.

Man has been trying to find out what causes colds and how to cure them for more than 2,000 years without much success.

Peckhams Tell Birth of Girl

The birth of their first daughter was announced this week by Bob and Florence Peckham. The new infant who arrived May 2 at Torrance Memorial Hospital, has been named Candace. She has one brother, Bob Jr., who is

three years old. The Peckhams (he's Schultz and Peckham Ford Dealers) live at 1507 Acacia. Dr. John Beeman was in charge of the delivery of the 5 pound 15½ ounce baby.

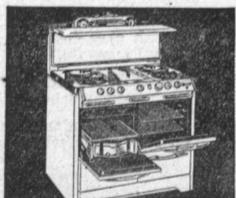

Tired of uneven heat?

See the even heat distribution you get with one of the new automatic gas ranges—now at dealers

FOR perfect frying, you need an even distribution of heat. You get it with gas. The clean blue gas flame spreads itself uniformly over the bottom of your pan or griddle. This is true with any heat you select... not just with a few limited heats. This even distribution of heat assures even cooking, even browning, far more appetizing and delicious food.

Because the gas flame is visible, you can see exactly how much heat you have... can adjust it instantly. And just as gas eliminates guesswork from top-of-range cooking, so does it simplify, speed and improve all types of food preparation. With a new automatic gas range, you have cooking at its best. At its most economical, too! The new gas ranges cost less to buy and less to operate. See the gleaming displays at your dealer or your GAS Company soon.

Among the many makes of gas ranges on display during Spring Showing is this beautiful new O'KEEFE & MERRITT... a CP model. Others you'll see include Caloric, Gaffers & Sattler, Grand, Hardwick, Magic Chef, Maytag, Occidental, Roper, Tappan, Wedgewood, Western-Holly.

Look for this seal. It's your guide to the very finest in modern cooking appliances.
