2nd Avalon Carnival On Aug. 9-10

Entertainment, fun, and food for everyone, young and old, is the promise of the Avalon-Sepulveda Park Council, sponsors of the forthcoming second annual Community Carnival, slated for August 9 and 10 at the park, on Catskill Ave., near 232nd St.

The event is being presented by many civic and social organizations of the area in co-operation with the Los Angeles County Dept. of Parks and Recreation for the benefit of all children in the area, according to William Alcorn, president of the park council.

Hi-lighting the carnival on August 10 will be the presentation of the winning performances of the talent show being held at the park on August 3. A huge turnout is expected for this event, and the review of the acts at the carnival will be excellent, Alcorn stated.

Any person or school wishing to donate time or talent to the Carnival is asked to contact Alcorn at Terminal 4-8294.

Average Pacific Southwest factory workman (Southern California, New Mexico, Arizona and Nevada) uses tools and equipment valued at \$12,500—and here is the real explanation of the productive wealth of a free industrial society—as compared with \$500 per workman in Europe, and a negligible amount in Asia.—The National Association of Manufacturers Economic Research Council.

Shoestring Group Needs Workers For Local Talent Show

Executive Board members of the Shoestring Community Association met at the home of Mrs. Ben Rusk, 1319 — 221st St., on July 15.

Tentative plans for a local talent show to be held in September were drawn up.

Mrs. B. Fryback, publicity chairman, announced that volunteer workers for the talent program are needed. Anyone interested in assisting should call Mrs. W. Sidwell, president of the group, at Torrance 2443-W.

The July meeting of the organization was postponed because many members are on vacation. The next regularly scheduled meeting will be held late in August in the new Normandale community center, 224th and Hall-dale, Mrs. Fryback disclosed.

'The Law of Mind' Topic Of Dr. Burnam's Sermon

"The Law of Mind" could be defined as the activity of Mind. The Law is a doer, not a knower. It is a blind force which cannot discriminate. Our every thought, whether conscious or subconscious, unless neutralized, is acted upon by the Law of Mind and manifests as some condition or experience," declared Dr. Burnam when discussing his sermon for Sunday, the theme of which is "The Law of Mind."

Religious Science services are held each Sunday at the Masonic Temple on Redondo Beach, Catalina Ave. and Ruby St.

Avalon Park Talent Show Held August 3

Every variety of talent will be on display Sunday, August 3rd, when a talent contest for boys and girls of all ages is staged at the Avalon-Sepulveda Park, on Catskill Ave., near 232nd St.

Among the top prizes will be a series of free lessons at the Ruth Spere Theatrical Arts and Television School in San Pedro, according to Mrs. Wm. Alcorn, publicity director for the event.

Applications for a spot on the talent show are available at the Avalon-Sepulveda Park clubhouse.

Truth comes from a deep sincerity that must always characterize heroic hearts; it is the better side of man's nature developing itself. — Mary Baker Eddy.

Child Halts Traffic With Garden Hose

North Torrance residents this week complained to the Torrance Police Dept. that their right to use the public sidewalk near 2704 West 174th St. was being impeded.

Violator of their civic rights was a four-year-old sidewalk pirate, who, armed with rocks and a spraying garden hose, would not allow pedestrians to pass.

Police rallied to the aid of the distressed citizens and approached the little boy's mother, who promised to apply discipline firmly to an appropriate area.

Justice again triumphs!

It is hard to guess their (Jews) fate. Many are in concentration camps, struggling for existence. In general we know Stalin destroyed Jewish life in Russia and in the countries under his domination.—Nathan Chanin, Jewish Labor Committee Chairman of New York.
