Scouts Hold Fund-raising Breakfast

Cub Scouts and Brownies of Keystone were the beneficiaries of a fund-raising breakfast held last week at the Villa Market in Avalon Village.
Hot cakes, bacon, orange juice, and coffee were served for 20 cents per person on the parking lot of the market, committee officials said.
Those who helped serve the breakfast were Messrs. and Mmes. Bob Snyder, Al Bondeson, Bill Kiseloff, M. Hulse, and Mmes. Raymond Karlvik, Jean Delnort, Margaret Meyers, John Greget, Edith Fenske, Mildred Freeman, Mildred Hembree, and George Garheart and William Doyle.
First prize certificate for the winning window display of last February, has been presented to Cub Scout Pack 225C by Doyle.
The Scout committee also is completing plans for a booth which it will sponsor at the Carnival set for August 9 and 10 in Avalon-Sepulveda Park.

Officer Warns Against Tinted Glasses at Night

The California Highway Patrol today cautioned motorists against wearing tinted or colored glasses for night driving because while they may reduce headlight glare they may also cut the driver's vision far below the minimum safety level.

All automatic Gas water heaters look more or less alike

So look for ONE important difference

HERE'S WHY: You get what you pay for in automatic gas water heaters - as in anything else.
The way to be sure of getting an automatic gas water heater that will serve you for years and years and years is to buy a make and model that carries a 10-year warranty plan. This plan is your assurance of a top-quality appliance built for long and care-free service. It will cost you more now, but far less in the long run.

2 other good rules: 1) Insist on an automatic gas water heater, because gas heats water 3 times faster and costs less. 2) Install the right size heater for your needs. See your plumber-dealer's approved sizing chart.
