

P-TA Chairman To Attend School Of Information

A school of information for local and council chairmen of the Harbor area of the 10th District P-TA, exclusive of Public Welfare and Home Service Departments, has been tentatively set for Friday Sept. 26th, from 9:30 a.m. to noon at the First Methodist Church, 6th and Grand, San Pedro, California, according to Mrs. E. Cothran, press chairman of the Gardena-Wilmington Council.

The Harbor area headed by Mrs. Lawrence Lobach, harbor district regional director, includes Gardena-Wilmington, Lomita-San Pedro and Gateway Councils.

Harbor Home Service Conference will be held on Tuesday Oct. 14th from 9:30 a.m. to noon, at the Teen-Age Community House, 1651 Market Street, Gardena, California.

Harbor Welfare Conference will also be held at the Gardena Teen-Age Community House on Friday Oct. 17th from 9:30 a.m. to noon.

Officers and chairmen of the 10th District executive board will conduct the conferences which will serve to instruct all chairmen in the procedure of their offices for the coming year.

The 14 elementary school P-TAs that make up the Gardena-Wilmington Council include Amestoy, Carson Street, Catskill, Chapman Avenue, Del-Amo, Denker Avenue, Dominguez, Friles Avenue, Gardena Elementary, Gulf Avenue, Hawaiian Avenue, 186th Street, 135th Street and Wilmington Park.

Open for business now is the new Sugar 'n' Spice Bakery, located adjacent to the Jim Dandy Market, at the "Miracle Corner" of Crenshaw and Torrance Blvds. Featuring "Fresh Daily" baked goods, the store also carries ice cream and confections, according to Carl Lucas, general manager of Sugar 'n' Spice Bakeries.

The modern theme of the store's exterior is carried out throughout the interior which is decorated in beautiful pink and blue.

Parents of overweight children should not begin any reducing plans without a physician's guidance as many children cannot go on severe diets without injuring their health. Doctors, as a rule, advise continuing 3 meals a day, and almost without exception, dieting in moderation so that reducing is slower, but far healthier.

Texas Fever, an infectious disease of cattle, is transmitted by a tick and caused by a bacteria that multiplies in the blood and destroys the red blood cells.
