Nash Ambassador

'The Finest Shock-Proof Ride In the World Today!' says Tom McCahill

THIS IS THE VERDICT OF THE NATION'S LEADING IMPARTIAL MOTOR CAR EXPERT AS REPORTED IN MECHANIX ILLUSTRATED MAGAZINE, SEPTEMBER, 1952, ISSUE

NEVER has an automobile received a finer tribute than that accorded the Nash Ambassador by MECHANIX ILLUSTRATED Magazine's Tom McCahill, outstanding car expert.

Tom McCahill tests all makes of cars - 200 different models in the past six years. He puts them through back-breaking grinds, testing performance and handling.

'The finest shock-proof ride in the world today... best bump-leveler.' The extra strength and safety of Airflyte Construction, the balance of Airflex Suspension, all contribute to this unmatched Nash riding comfort.

'Acre-per-dollar bargain.' Here are the widest seats of any car. Even plenty of space for big Twin Beds and Airliner Reclining Seats.

'Among the best performing cars.' In the 'Grand Prix d'Endurance' at Le Mans, France, the Nash Super Jetfire engine powered the Nash entry to the top spot of all American cars.

'In hill-climbing, second to none.' The Ambassador was the only over-drive-equipped car to take McCahill's 'test hill' in high-proof Super Jetfire power.

'By far the best Nash has ever offered, and that's saying a lot.' Nash Airflytes are the first American cars styled by Pinin Farina, whom McCahill calls the 'Rembrandt of automobile design.'

Visit your Nash dealer and get your free reprint copy of Tom McCahill's informative article. And see all three great Nash Airflytes—the Ambassador, Statesman and Rambler—the world's most beautiful cars. One ride and you will agree with Tom McCahill.
