### Army Officer Addresses 68th GOP Assembly

Troops of the 40th Division, including those of the 578 Engineer Combat Battalion stationed in Torrance, sailed for Japan and subsequent action in Korea with only half of the equipment needed, and that mostly World War II leftovers, some even obsolete.

So charged Col. B. E. Smith, supply officer for the 40th Division, in a talk before the 68th District Republican Assembly Thursday night in the Fish Shanty.

Colonel Smith, speaking on behalf of the election of General Eisenhower and Senator Nixon as president and vice president, said that "we had to go out and buy from war surplus stores even essential equipment".

He declared that the government is "covering up" affairs in

### RED CROSS DIRECTORS HEAR REPORT

Despite a 20 per cent cut in the operating budget, the Torrance Red Cross has procured 1,004 pints of blood since May 1, stated William A. Felker in a report made to the Board of Director of the local Red Cross chapter last Friday evening.

He stressed the fact that more pints of blood must be produced from each drive because fewer blood mobiles are being sent to Torrance.

Felker disclosed that J. Hugh Sherfy has accepted the chairmanship of the annual fund campaign.

Felker, who is chairman of the local chapter, expressed his thanks to the many volunteer workers who donate their time to aid in the numerous Red Cross activities.
