We're Voting For CECIL KING for Congress

- Because...
1. KING FIGHTS CORRUPTION. His famed King Tax Investigating Committee exposed wrongdoers in the Bureau of Internal Revenue and awakened the nation to the dangers of corruption in public life.
 2. KING FIGHTS COMMUNISM. Because he has so effectively opposed it abroad and at home his bitterest enemy is the Communist daily newspaper—People's World.
 3. KING FIGHTS WASTE IN GOVERNMENT. His tax investigation saved hundreds of millions of dollars and streamlined the tax bureau to top efficiency.
 4. KING GETS THINGS DONE. He is skilled in legislation, is widely known and respected on Capitol Hill. He has valuable seniority and experience.
 5. KING IS ON THE JOB ALL THE TIME. He has one of the best voting and attendance records in Congress.
 6. KING TRULY REPRESENTS US. He answers our letters, fulfills our requests, and accomplishes a staggering work load, as our representative.
 7. KING IS A GENTLEMAN. He conducts a clean campaign. Although vilified by his opponent, and marked for defeat by the forces of his old enemies, corruption and Communism, he has stuck to a straightforward, intelligent discussion of the issues.
