

### MELLOAIRES TO PLAY AT DANCE SATURDAY NIGHT

The Melloaires will be on hand to provide dance music for the weekly teen-age dance held at the civic auditorium on Saturday nights.

This group of musicians, made up of local talent, is becoming widely known in the South Bay area. Five members of the combo are Mickey Van DeVenter, Torrance HI senior, who is the pianist; Tad Dale, also Torrance HI student, on the drums; Ray Parrish, clarinet; Ross Sciarrotta, who plays the trumpet, trombone, and bass fiddle; and Cindy Young vocalist. Sid Larson is business agent for the group.

### Brother Foils Suicide Try, Victim OK

Apparently despondent for unknown reasons, a 27-year-old Torrance man last Tuesday night tried to commit suicide by carbon monoxide poisoning.

William Kerr was found in his garage at 3110 Torrance Blvd. by his brother Clifford Kerr, who reported the suicide attempt to Torrance police.

The brother informed police that would-be-suicide left his home after he was discovered and wandered toward town.

He was found downtown by another brother, Richard Kerr.

Police officers Mervyn Porter and Nolan Robison were dispatched to the Kerr home. They reported that the family had made efforts to have Kerr placed in Sawtelle veterans hospital, but that he refused to go. It was unknown whether Kerris married. He is reportedly employed by United Parcel Service.

### Even heat—no hot spots WHEN YOU FRY WITH GAS

Crisply fried bacon! Perfectly fried eggs! For these and all other fried foods you need uniform distribution of heat. That's just what you get with gas and a new automatic gas range. The flexible blue gas flame spreads itself evenly under griddle or pan. There are no hot spots...no cool corners.

The visible flame lets you see just how much heat you're using, too! You can adjust gas heat instantly and accurately to meet any cooking requirement. Never any guesswork! No matter what the cooking method...frying or broiling, baking or roasting...gas is truly superior. And to take full advantage of what gas can do, you need one of the new automatic gas ranges now on display at dealers or your Gas Company. Why not see them? You'll find that a new gas range costs less to buy...less to operate.
