Seek Extra Patrol Car For Lomita

Residents of Lomita and Rolling Hills have reason for more hopes for greater police protection after the announcement that a second patrol car will be sought for this area in the forthcoming sheriff's budget.

Capt. Fred England, in charge at Lennox sheriffs' station, said that while he is including the request for the second car in the budget there is no assurance the proposal will be approved.

A low crime rate in Lomita and Rolling Hills operates against the area in the request for additional police protection, Capt. England said.

Other areas served by the Lennox station show a greater crime rates per capita and a markedly heavier increase in crime over the past year.

Capt. England said he is asking for the car and six deputies to man it. One deputy will work the day shift, two the "swine" shift, two the "graveyard" shift and one will act as relief driver.

Service Station Stages Four-Day Anniversary Fete

A pair of nylon hose will be given to each purchaser of eight or more gallons of gasoline at Waggoner's self service gas station, corner Western ave. and Carson st., during a four-day anniversary celebration starting today.

For non-hose-wearing customers, alternate gifts of a box of hand-dipped chocolates or a piece of handpainted dinnerware are being offered.

For the kiddies there will be three entertainment features. Joyce the Elephant, Peanuts, a Shetland pony, and Bobbie and Frankie, twin chimpanzees, will be starred in three shows daily for the four days. Shows are at 11 a.m. and at 3 and 7:30 p.m.
