

Demolay Party

Party Room. Following a turkey dinner, there were games and dancing and an exchange of gifts, according to Mrs. Henry Berkowitz, president. Honored guest of the evening was Mrs. Ludwig Miller, who spearheaded the formation of the club several years ago. She was accompanied to the affair by her husband.

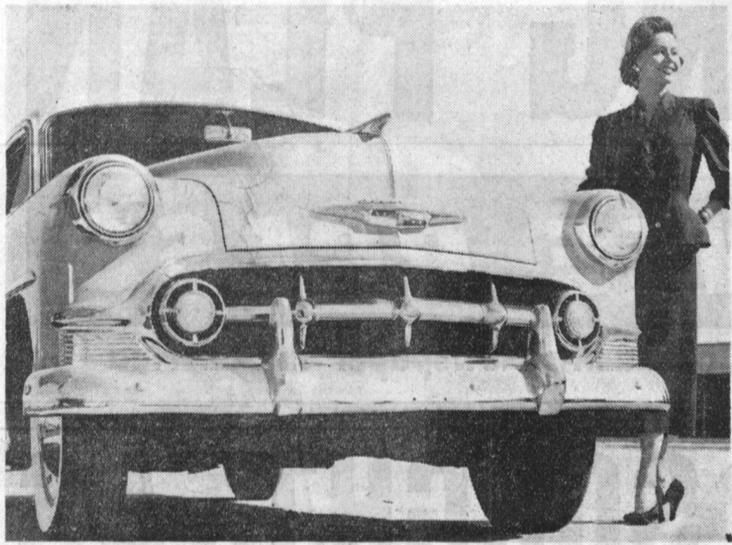

The National Guard of the U. S. was named in honor of Lafayette, who commanded the National Guard in Paris in 1789.

Really New

REALLY NEW—Paul's Chevrolet, 1640 Cabrillo ave., unveils the new 1953 Chevrolet tomorrow. Front-end styling of the completely re-designed Chevrolets accentuates the appearance of power and fleetness in the new line. As shown above, the surface of the hood this year extends farther forward before curving abruptly down to the radiator grille. Increased performance, comfort and convenience are outstanding features of the 1953 Chevrolet line.

A one-eyed individual can see as much through a keyhole as anybody.
