MERITORIOUS SERVICE—Private First Class Clifford W. Smith of Torrance is congratulated by Colonel Richard D. Meyer, Eighth Army Transportation Officer, after receiving the Commendation Ribbon during ceremonies in Korea.

DOGS ADOPT "BILL OF RIGHTS" AT MEET

- I. I want nutritious food once daily—not too much; and don't believe the old idea that bones are good for me.
- II. I want clean water in a clean dish twice daily.
- III. I want a dry, ventilated but draftless place for sleeping.
- IV. I want a collar that doesn't choke me or isn't so loose it catches on my head.
- V. I want a quiet place in the basement on the Fourth of July.
- VI. I want every boy softly reprimanded who throws stones at me or twists my ears.
- VII. I want folks to judge me as a dog and from a dog's viewpoints.
- VIII. I want everybody to keep in mind that I do with my mouth, most things they do with their hands; so, they needn't be afraid of a dog's teeth.
- IX. I want to be treated kindly, just as I treat children and all those in distress.
- X. I want my mind and body trained so that I can be of the fullest service.
- XI. I want to be considered one of the family, for I will give my life to protect it.
- XII. I want my master to be my god and to act the part.

The foregoing Bill of Rights was unanimously adopted by the canine members of the Harbor City Dog Obedience training class at their meeting last Thursday evening.

In announcing the adoption of the bill, Fido pointed out that he and his fellow members expect wide-spread acceptance of the legislation throughout dogdom.

He also disclosed that any dogs wishing to join the obedience class may do so by having the "Boss" call Torrance 1044 for information.

The classes meet regularly on Thursdays at the Boys' Clubhouse at 12th st. and Cabrillo ave. in San Pedro.

EASY CREDIT TERMS!

Sunbeam TOASTER

All you do is drop in the bread. Bread lowers itself automatically, which turns on current. When perfectly toasted, current turns off automatically. Toast raises itself silently, without popping or banging. And what toast—every slice alike from first to last, whether moist or dry, thick slices or thin.

Sunbeam COFFEEMASTER

It's automatic! you can't miss! The same perfect coffee every time—1 cup to 8. Shuts itself off when coffee is done, then re-sets itself to keep the coffee hot.

No glass bowls to break. It's all gem-like chrome-plate, inside and out. Come in and see it.
