Inter-Class Hoop Tourney Set at THS

Freshman and sophomore students at Torrance High School will have an opportunity to put upper classmen in their proper place tomorrow when the first games in an inter-class basketball tournament are played in the high school gym.

Sponsored by the Student Council, to bolster the Special Awards Fund, the tourney will get underway at an "aud" call just before lunch.

The tournament will open with the Sophs meeting with the Seniors, and the Fresh playing the Junior class in a 20-minute game.

Winners of the two games will tangle next week for first and second places. Losers of tomorrow's tilts will play off for third and fourth places.

Class officers have declared that no Varsity or Bee squad players are eligible for the contests. Each class is now busy organizing teams and rooting sections for the event tomorrow.

No admission fee is being asked. However, students may donate whatever they wish at the door. All donations will be put in the "Special Awards Fund," it was reported.

Chamber, Rotary Club Sponsor Clean-Up Drive

L. O. Griffiths was named chairman of the Carson Chamber of Commerce's neighborhood clean up-paint up campaign at a Chamber meeting held this week.

The clean up drive will be run in conjunction with the Dominguez Area Rotary Club's amateur gardening contest, it was disclosed.

The Chamber will sponsor an essay contest to promote the drive in the schools. First prize in the essay competition is a free trip to Catalina Island, Lloyd Desmond, press chairman, reported.

Desmond also stated that three more bus benches have been installed along Carson area bus routes.

A spring carnival is being planned by the Chamber for sometime in May. Plans for this event are being formulated now, Desmond related.

When Southern California's 40th Infantry Division went to Korea in January, 1952, it had completed a record-breaking 16 months of some of the most rigorous training ever given a National Guard organization.
