

dry your clothes the modern way

of course, it's electric!

Put clothes drying on the list of jobs turned over to electricity and you're another step ahead on the road to modern living. Electric clothes drying—like electric lighting—has completely out-dated other methods.

With an electric clothes dryer you get better results. And you get them faster, with a lot less work on your part. What's more, bad weather can't upset your schedule.

Easier work, better results and extra leisure time are the essence of modern homemaking. And you'll get more of each, when you get an electric clothes dryer.
