## Betrothal of Pat Roden Announced

Mr. and Mrs. Edward J. Roden of Los Angeles this week announced the engagement of their Patricia of Torrance to William W. McDonald of Los Angeles.

The disclosure was made at a dinner party at the home of the future bride's parents.

Miss Roden, who has been the assistant editor of the Torrance Press for the past year, is a graduate of Belmont High School in Los Angeles. Her fiancé, a graduate of Narbonne High School and USC, is a former Army fighter pilot. He is now employed as a physicist at Lockheed Aircraft.

The wedding will take place early in May, it was revealed.

## Student Party Proceeds Aid Heart Fund

The students of the sixth and seventh grades of Greenwood Elementary School opened their hearts at the Valentine party held jointly last week.

Instead of the usual exchange of Valentines, they staged a box luncheon and used the proceeds from the sale of the boxes to aid persons less fortunate than themselves.

Major portion of the proceeds went to the heart fund to help persons afflicted with heart ailments.

The remaining funds were sent to tiny Judy Wikom, who is a polio patient.

Participating rooms were Mrs. Patricia Bowdy's sixth grade; Miss Catherine Gould's sixth grade; and Mrs. Gladys Lewis' seventh grade.

The luncheon netted \$32, according to the teachers.

**NUPTIALS**—Mr. and Mrs. Ralph Suchy pose happily following their wedding last Saturday at St. Catherine Labourer Church. The bride, formerly Mary Margaret Forster, is employed at Columbia Steel. Her husband is in the U. S. Navy.

## 'Slimnasium' Scheduled

A series of events has been scheduled at Avalon-Sepulveda Park in the Carson area, according to Mrs. Dorothy Kemper, director.

Beginning next week a "Slimnasium" will meet each Tuesday morning at 9:30. A half-hour of slimming will be followed by an hour of volleyball play. This event is open to all Carson women, and will be conducted by Diane Thatcher.

While mother is busy taking off pounds in the Slimnasium, there will be a pre-school play class in session. Mrs. Dorothy Kemper will conduct this activity from 9:30 to 11 a.m.

## Forster and Suchy Names Linked By Nuptial Services

White calla lilies and stocks decorated the sanctuary of St. Catherine Labourer Church last Saturday when Miss Mary Margaret Forster became the bride of Ralph Suchy of the U. S. Navy. Father Raymond Tepe officiated at the ceremony.

The bride, gowned in an ankle-length dress of white Chantilly lace and fingertip veil, was escorted to the altar by her father, Edwin F. Forster, of 719 E. 142nd st., Hawthorne.

Attending her as Maid of Honor was Mary Barrett, dressed in a gown of light blue taffeta and net. Barbara Schaefer served as bridesmaid, wearing a similar gown of open blue taffeta and net.

The groom, son of Mr. and Mrs. Henry Suchy, of 4156 W. 168th st., Lawndale, was attended by Donald C. Forster, Ushers were Robert Forster, Charles Cowan and Everett Kita.

For her daughter's wedding, Mrs. Forster selected a gown of navy blue with matching accessories. Mrs. Suchy, the groom's mother, was also gowned in navy blue with matching accessories.

Following a reception in the parish hall, the couple left on a motor trip thru the Midwest.

The new Mrs. Forster is employed by Columbia Steel here. She was educated at St. Mary's Academy. Her husband is a graduate of Leuzinger High School.

## Methodists Start Church Renovation

The Board of Stewards of the First Methodist Church of Torrance met last Wednesday at the church and were told by Rev. John Taylor that the first phase in the church's modernization and expansion will get under way on March 9.

The first step will be a face-lifting for the chancel and the installation of a new organ and choir loft, the pastor said. Also ready for installation are a new pulpit and lecturn donated by Earl Robinette.

Rev. Taylor disclosed that the initial work will be ready for use by Palm Sunday, March 29.

Methodist laymen are now engaged in evangelistic visitations, and it is believed that seventy new members will join the church in time to participate in the special Palm Sunday service.

Rev. Taylor added that he is proud of the work being done by members of his congregation. He stated that many newcomers have commented on the friendliness of the church. "If that friendliness can be matched with true spiritualism, nothing can stop this church from fulfilling a real need in the community," he declared.

### EXPECT THE BEST

In most business deals folks are entitled to expect the best money will buy, but in politics the object is to put in office the best candidates that money won't buy.
