

The brilliant new 1953 Nash Rambler, completely restyled by Plain Factors, famed custom car designer, is now on display at Post Avenue Motors, 1336 Post Ave. Featuring the new low hood with a sports car air scoop, the new Rambler comes equipped with a smart continental rear tire mounting. A more powerful engine and choice of three transmissions, including Dual-Range Hydra-Matic Drive, make the Rambler a truly convenient, practical car for all driving conditions. Equipped with overdrive, the Rambler delivers up to 28 miles to a gallon of gasoline at average highway speed.
