

Two Juniors Attend District Conference

Two members of Torrance Junior Women's Club, Mrs. Fred Hansen and Mrs. Warren Perry, federation co-ordinator, attended the February District Conference, CFWC, Junior membership, on Monday, Feb. 23.

Approximately 400 women from the district attended the affair, which was held in the attractive South Women's Club clubhouse. Mrs. Eugene Nott, district president, presided.

Patsy Troost, program chairman, introduced a panel composed of four senior women and one junior. The subject discussed by the panel was "how can junior-senior cooperation be encouraged?"

A feature of the conference was the district handicraft exhibit, according to local club officials.

Hot Dogs Star in Perry P-TA Lunch

A luncheon, featuring hot dogs, cole slaw, dessert and punch, was staged by the Perry School P-TA last Thursday under the direction of Mesdames Albert MacKenzie and Rodney Baillie. The affair was held at the school.

The luncheon is a regular monthly feature at the school and is served to the children at a very low cost, according to Mrs. MacKenzie.

Assisting with the preparation and serving were Mesdames Bush, Rogers, Kupka, Schuster, Mazzaro, Willis, Dorn, Arensmeyer, Damerow, Lansdown, Pederson, and G. Runsted.

Due to illness, Mrs. G. H. Blake, president of the P-TA unit, was unable to attend. Members of the group have extended to Mrs. Blake their best wishes and hopes for a speedy recovery. Mrs. MacKenzie said.

HONORS VIA TELEPHONE—Mrs. Vera Wright and Mrs. Glenn Blake, officials of the Perry School P-TA, were ill when the P-TA's Founder's Day program was staged recently, and so were absent when the announcement was made that they were this year's recipients of the honorary life memberships. Above, Lester I. Foster, principal of the school and chairman of the life membership committee, informs the ladies over the telephone of the honors they have received. Mrs. Alice MacKenzie presided at the ceremony in place of Mrs. Blake who is president of the organization.
