the LEAD is UNBREAKABLE in NORMAL WRITING USE.

It's true... Rite-O pencil's SPRING-LOADED ACTION sets like the shock absorber in your car... and takes out the shocks that break leads.

It's Brand NEW!

say **Rite-O**

You can WRITE for HOURS WITHOUT TIRING. The shock absorber takes the finger cramp out of your writing. Like writing on a cushion... it's that comfortable. Pencil, Reptel, Epsel. Mechanical action. Wonderful New Idea
