

College Club Set to Adopt War Orphan

Inter-Club Council, an organization which represents all the clubs, fraternities and sororities on the El Camino college campus, has stepped into the role of being a foster parent.

Members of the Inter-Club this week voted to adopt a war orphan under the Foster Parents Plan, through which financial support is sent for the support of a child orphaned by war in Europe or in Asia. A total of \$150 a year is the minimum support fund to be given, Judy Steren, Inter Club chairman said.

The Torrance National Bank ended the year of 1952 with a new standing among the 3,100 largest banks in the United States, Clinton B. Axford, editor of the American Banker revealed this week.

The local bank which reported deposits of \$6,675,904 on Dec. 31 now ranks 3,021st as compared to its standing in 3,692nd place at the close of 1951, he said. There are 14,000 banks in the United States.

The Daily American Banker of New York is the trade publication of the banking business.

Plans Made To Re-Open Adult Center

Plans are being made now for a grand reopening of the Torrance Adult Recreation Center, which was gutted by fire last month. Workmen are putting the finishing touches on the restoration of the building, and a social is planned for the re-opening.

The event has been set for April 4, according to H. M. Haynes, chairman of the re-opening committee. Others serving on this committee are Chris Jones, Armour Taylor and James Daniels.

Further details on the program will be announced soon. The recreation center is located on Cravens ave., adjacent to the Torrance Library.
