

KNOW YOUR REALTOR

Gathering up old houses and re-decorating same to delineate their individuality is the fascinating and productive hobby of this week's highlighted realtor, James H. Schmitt.

Jim is actually a native of Los Angeles, but he just happened to have been born in Binghamton, N. Y. while his parents were on a visit with their parents, for the express purpose of his being born in Grandma's house!

Remington Rand lost a fine accountant when Jim decided, in 1945, to go into the Real Estate and Insurance business. The Torrance-Lomita Realty Board is fortunate in having Jim as co-chairman of the Auditing Committee since Jim has had this accounting experience with Remington Rand as well as holds a B. S. degree in business from USC.

JAMES SCHMITT

Until last year, Jim was Lomita's most eligible bachelor, but alas, no more! He has acquired a most charming wife, Angelina, and together they make their home at the San Pedro entrance to the Palos Verdes hills.

Jim is busier than a bird dog with his real estate and insurance business as well as his service and professional club activities. He is a member of the Lomita Chamber of Commerce, a Director of the Harbor District Chamber of Commerce, a member of the Junior Chamber of Commerce, San Pedro, a member of the American Legion Post 65, San Pedro, and, of course, an active part of the Torrance-Lomita Realty Board, to name a few.

The piano and a sincere interest in the collecting of antiques are Jim's hobbies for sheer fun and relaxation.

YWCA Speaker

Mrs. Sumner Spaulding, of Beverly Hills, member of the National Board of the YWCA, spoke at the National Support Tea of the Harbor District YWCA held yesterday from 2 to 4 p.m., at the home of Mrs. Alfred Jorgenson, 1033 Paseo del Mar, San Pedro.
