

### Slow-Pitch Ball Games

The following games are scheduled for this week in the service club slow-pitch softball league: Tuesday, May 26, at Torrance Park, Arlington vs. Legion and Hollywood Riviera Sportsmen vs. Waveria B.M.A.; Wednesday, May 27, at Waveria Park, Highway 101, 2 blocks West of Hawthorne Blvd., Moose vs. Rotary and Lutheran Men vs. Lions. First games will start at 7 p.m. and second games around 8:30 p.m., it was announced.

### Shoe Shop Has New Associate, Anniversary

A double celebration is in order this week at Fenwick's shoe repair shop, 1420 Marcelina. Robert Almond begins his new association with M. L. Fenwick. At the same time the store is celebrating its 15th anniversary, it was announced.

There will be reduced prices on national brands and on repair services in honor of the two events, the associates stated.

Almond has been active as an advertising salesman and worked for Chaney's and Strum's, it was disclosed.

Almond, who lives at 1825 Cota, is married and has a two-year-old son, Danny. Fenwick lives at 1418 1/2 Marcelina ave. with his wife.

### TV Stars in Gala Show Tomorrow

"When Ted Lesser produces a show, you know what you can expect," said Moose Lodge member Stanley Heiman in talking about the gala event planned for tomorrow night. The colorful show, which will feature almost every popular TV star, will be presented at the Shrine auditorium Friday, May 22, at 8:15 p.m., Heiman disclosed.

One child under 15 may get in free on every ticket bought, it was stated. Tickets are available from any lodge member in this area or at the Shrine box office which will be open all day Friday.

The purpose of this affair sponsored by the combined Moose Lodges is to raise money for an unprecedented Christmas show. The lodge members hope to put on the biggest kids' Christmas party ever put on in the world and intend to use the Coliseum to do it in. The only requirement will be that you are a kid—from there on in everything will be free and plenty. While the party will be given in the afternoon of December 24, the evening will feature a televised Nativity Pageant, it was announced.

NEWLY ASSOCIATED WITH M. L. FENWICK is Bob Almond (right). This week not only marks the beginning of this new association but it also marks the fifteenth anniversary for Fenwick's Shoe Store, 1420 Marcelina.

### Franklin Enrolled at Northrop Aero Institute

Hugh Herbert Franklin, son of Edward Stomer Franklin, 17640 Ainsworth Ave., Torrance, has enrolled in the two-year aeronautical engineering course at Northrop Aeronautical Institute in Hawthorne.

On completion of the Northrop Institute's intensive training program, Franklin will be graduated as a qualified aeronautical engineer and may then be employed by one of the major airlines or aircraft manufacturers. He will be schooled in both practical and theoretical aspects of engineering,

through participation in actual aeronautical projects. Northrop Aeronautical Institute is a division of Northrop Aircraft, Inc. Franklin is receiving his engineering education in the school's new building adjacent to Northrop's production facilities, where the U. S. Air Force's newest standard all-weather interceptors, the Northrop Scorpion F-89s, are now in production.
