EVEN THE MAYOR GETS A TICKET IN TORRANCE, so next time you get a ticket don't feel that an injustice has been done. Mayor Mervin M. Schwab could not quite understand what the trouble could be when the disturbing news was brought to him. He had only driven up a minute ago, so a ticket for overtime parking was out of the question. It seems, however, that the car had taken up two parking spaces and so... the ticket.

died and artificial respiration was applied in an attempt to save her.

The young girl was first taken to Pomona hospital and was transferred to Riverside hospital in an effort to get her into an iron lung. She died shortly after arriving at the Riverside hospital, it was revealed.

Preliminary Budget Gets Approval

The County Board of Supervisors last week approved a 1953-54 fiscal year preliminary budget of \$295,872,254, it was announced.

If the preliminary budget remains unchanged, following the public hearings to be conducted prior to the adoption of a final budget, the county tax rate will be \$1.7863 per one hundred dollars assessed value.

The preliminary budget total exceeds the current final budget by \$22,819,766, but is a reduction of \$29,134,423 from the total of \$327,211,617, requested by county department heads.

To the average taxpayer the new budget will mean an increase of approximately four dollars in his tax bill. It will produce an increase of approximately 15 cents over the current rate of \$1.63, but represents a reduction of 14 cents per one hundred dollars assessed value.

Hath any wronged thee? Be bravely revenged—slight it, and the work is begun; forgive and it is finished. He is below himself that is not above an injury.
