### High School Girl Dies Of Disease

Nina Sarukian, 15, died Saturday of multiple sclerosis, a progressive disease of the nervous system for which there's no known cure. The young girl was a tenth grader at Torrance high school. She was the only daughter of Mr. and Mrs. Albert Sarukian of 736 Sartori Ave.

Funeral services for the young girl were held Tuesday at the Holy Cross Armenian Church in Los Angeles, and interment followed at Evergreen Cemetery.

Miss Sarukian had been receiving private tutoring in her home since the mysterious disease struck. Apparently feeling all right on Friday night, according to her mother, she suffered a relapse on Saturday, and was taken to White Memorial Hospital where she died. The cause of multiple sclerosis is not known.

The Sarukians have lived in Torrance for 17 years. Mr. Sarukian is employed by Columbia Steel.

### Penny, Lost Pet, Sought By Children

If anyone has seen a little six year-old black cocker spaniel which answers to the name Penny, the children of Mrs. John Tibbo, 4859 W. 134th Place, Hawthorne, would be very happy.

A reward is offered to anyone who has information leading to the dog's return, Mrs. Tibbo stated. She gave her phone number as Osborne 68896.

It seems as if the doggie strayed from the children in the city ball park at Arlington and Santa Fe last Saturday.

The children are very upset and would like to have their doggie back. Penny has been their pet for a long time.
