

### Restaurant Will Open In August

Torrance will have one of the best steak houses anywhere when "The Palms" opens about the middle of August at 1921 W. Carson st. according to Sam Levy who is undertaking the project.

Plans for the restaurant and cocktail lounge provide for facilities to serve about 100 persons at a time, Levy said.

"The most modern conveniences for preparation of food will be provided," Levy said. "You won't be able to buy a better meal anywhere," he added.

Workmen are now putting a modern green brick and glass front on the buildings. The building, containing 4,500 square feet, will be completely restyled at a cost of several thousand dollars.

### Car Wash, Snack Bar In Operation

Open for business now is one of the most modern five minute car wash establishments in Southern California. The structure is located at 16316 S. Western ave., corner of Gardena Blvd. Main building is over 95 feet long and house and equipment is capable of washing 100 cars an hour according to Marcel Schmidt, owner. All chrome and wheels are steam cleaned, and a complete plant of soft water equipment makes it possible for the cars to

dry spotless after they go through a 50 h.p. blower especially built for the Gardena Car Wash. It takes more than 80 h.p. to run this establishment, called rightly the "Snappy Car Wash." In connection, a modern lunch and snack bar will be open soon. The total investment, including buildings, ground, equipment and

### VA Pamphlet Available on Home-Buying

To the Home-Buying Veteran," a 32 page guide for veterans planning to buy or build homes with GI loans, is now available at all Veterans Administration offices. VA said the pamphlet is designed to help World War II and post-Korea veterans get started on the right foot under the GI loan program. The pamphlet discussed what a veteran should look for in selecting the neighborhood, the lot and the house itself. It also covers the costs of home ownership, the contract of purchase, final settlement or closing the loan, and what to expect before and after moving into a new home. The responsibilities of the veteran home owner and what the VA can and cannot do to assist the veteran are also discussed. A copy of the pamphlet will be sent to each veteran applying for a certificate of eligibility for a GI loan. Veterans also may obtain a copy by writing the nearest VA regional office. There is no charge for the pamphlet.
