

# Crenshaw Extension Plan Begun

The Board of Supervisors Tuesday adopted a resolution to acquire jurisdiction over a portion of Crenshaw Blvd. between the southern boundary of the City of Torrance

CRENSHAW . . . to be roaded

and Sepulveda Blvd., within Torrance, according to Supervisor Burton W. Chace. Plans call for paving of an 80-foot highway, with an eventual widening to 100 feet. Since the improvement joins Lomita Blvd., plans include improvement of Lomita Blvd. from Crenshaw east to Narbonne at the same time. Rights of Way have been acquired and all plans completed for extending and widening of Crenshaw Blvd. in this section of the proposed project.

### Store Traffic

American business is convinced that traffic-building in stores paves the way for sales. Merchants try to make visits to their stores as entertaining as a trip to the movies, and manufacturers are pitching in to help.

## Armory

(Continued from Page 1)  
It is estimated that it will cost approximately \$157,000 to construct and equip this armory. As you recall, the budget includes only the state's share of the armory cost, therefore, construction will have to be delayed until the Congress approves the federal share of the funds.

It is our estimate that consideration should begin in about six months. Your support in behalf of the National Guard program is appreciated.

Yours very truly,  
(s) CARL H. AULICK  
Colonel, INF, CAL NG  
Chief, Army Division

In his own letter to this paper, Representative Thomas added the following facts:  
"In the near future I expect to have information on two other

covers to lighting fixtures." The store also has a Trend-Maker section in which contemporary furniture and correlated accessories are on display. The purpose of this section is to recommend the latest styles at low prices.

The store is expanding and remodeling as a result of the excellent support by patrons and friends, the owner said.

### Collision

When a rear-end collision seems unavoidable, covering and supporting the head with the arms affords some protection.

projects concerning Torrance, and as soon as I receive this information, I will write you immediately."

## Neon Sign Fund Grows

Dale Isenberg, executive secretary of the Torrance chamber of commerce, announced that the drive for a neon sign at Western ave. and Torrance Blvd. has netted \$1,265 to date.

R. I. Plamert, president has written personal letters to the various groups which pledged support of the enterprise. It is hoped that the \$1,500 total requirement will be reached with the response to these letters.

### Things to Come

A hand-sized spray-gun fires porcelain material through an acetylene torch onto hot steel, fusing it to the metal.

## Blood Unit Collects 193 Pints

When the bloodmobile rolled away from the Torrance civic auditorium last Monday night it had collected 193 pints of blood, Mrs. Gordon Jones, blood recruitment chairman announced.

If it had not been for the fact that 50 applicants were rejected by the attending physician, the 250 quota set for Torrance would have been practically filled. The bloodmobile unit has tightened up considerably in the matter of rejections, Mrs. Jones said.

Three-hundred applicants signed up for this blood-drive. Two-hun-
