### Signing Up For Y-Camp Under Way

Nearly 100 boys are signed up for the Torrance YMCA camping period at Round Meadow in the San Bernardino Mountains. Leaders are being selected now to help in the program for these boys from July 14 to 21.

Stan Roberts, executive of the Torrance branch, said today that he hoped all boys of this area who wanted to go would get their registration in before the total of 180 places were filled. He said he didn't want any boys or their parents disappointed and urged any interested lads to send their application in right away.

A. C. Turner, chairman of the Torrance board, also announced that there would be five new cabins ready for the boys of this area on July 14 together with new sanitary facilities and the new rifle range.

Further information on any of the camps operated by the YMCA may be had by calling FAirax 8-1272.

### Guess Leads To Radio

Herb Allen announced the winner of the Barber Shopper's Hobby Show Radio Give-a-way by guessing the correct number of nuts and bolts in a large jar.

Mrs. Claris Ley and Mrs. Ellis Harker, both of Torrance and George T. French of Los Angeles were the triple tie winners.

In the run off a second drawing was held and Mrs. Harker guessed 137 bolts which was the closest to the 141 contained in the jar. A table model radio was the prize awarded Mrs. Harker for her winning guess.
