MUSIC TO HIS EARS . . . Second place winner Jack Eardly can't expect to hear anything yet from the Ford car radio contributed by Schultz and Peckham but he seems to be quite happy about the prospect. Other Kiwanis Kids' Day grand-prize winners were Mrs. Anthony Perry, first place winner, who is busily studying her \$200 diamond dinner ring contributed by Howard's Jewelers. Cliff Stewart was winner of the third prize, a \$50 merchandise certificate from Paul's Chevrolet. Carol Bruvold (next to Eardly) held Stewart's ticket. Joe Doss, chairman, Chuck Ragsdale, president, and Queen Sandra Lea Constance look on contentedly.

Interpret Calendar

Dances interpreting the months and holidays of the year will be featured at Torrance High School October 10 at 8:15 p.m. when the Ann Olson Dance Studio presents "Calendar Capers," the sev-

enth annual dance recital held by the studio.

About 60 local children from three to 17 years old will participate in this event. The dances are original interpretations by Ann Olson and include among others, such different ones as the Skaters' Waltz for January; Valentine's Day, February; Irish Dance, March (St. Patrick's Day); April Showers; and Easter Bonnet, May.

Tickets may be obtained at the door or from anyone of the students. The studio, which is located at 1617 Cota, has had quite a few of its students appear on TV. Dolores James, 6, dances at Clifton's every other Tuesday and has appeared on the Al Jarvis and Gene Norman shows. Loretta Robison, 12, Sandra Adamson, 11, and Sally Jones, 11, who dance as a team, have appeared on the Al Jarvis show. Another team, Mickey Van Deventer and Alice Olson have lately appeared on Crosby's Calling and Hollywood Opportunity as well as Your Town's Talent among their many other appearances. Another girl, Carol Giles, 8, was seen recently on the Gene Norman show.

Coop Group Plans Dinner

The Torrance Cooperative Nursery school announces that its first social event of the year will be a pot-luck dinner at its Parent-Education meeting on Monday, Oct. 5 at the Torrance High School cafeteria.

The main topic for discussion will be various parent-child problems.

The school also wishes to announce that the mobile chest X-ray unit will be at the Safeway Market on October 7 and 8 and at the Jim Dandy Market October 9. Mothers who have children in the school are urged to visit this unit if they haven't already done so.
