

P-TA Makes Plans for Hallowe'en

Plans for the annual hallowe'en carnival were made during the meeting of the executive board of the Channel Heights P-TA recently in the home of Mrs. Walter Ornstein, 29113 Highmore St., San Pedro.

The appointments of Mrs. George Birch, ways and means chairman, and Mrs. M. L. Kent, movies, were ratified. Mrs. Walter Ornstein, treasurer, reported the receipt of \$49.60 from the recent cake sale conducted by the P-TA.

After the meeting was adjourned by Mrs. Florence Blum, president, refreshments were served. Those present were: Mesdames Stanley Carter, Irene Harms, Florence Blum, Howard Hilbert, George Birch, George Whaler, Walter Ornstein, George Valbuena, and Gordon Paris.

Found Guilty; Heller Moves

A man who has been annoying Hollywood Riviera residents and their children through profanity, shining flashlights in cars, turning hoses on passing cars, and threatening violence pleaded guilty this week to disturbing the peace, the only one of several charges which was pressed, according to Detective Captain Ernie Ashton.

Marvin Heller of 309 Via Pasqual was not sentenced immediately but did agree to move right away. His home is now in escrow.

Group Formed To Get Local Baseball Team

Because Torrance is without a baseball team, a committee has been formed to organize a baseball team to be known as the Torrance Merchants. The plans are to enter the Southern California Baseball Association. Games are to be played at Torrance Park every Sunday afternoon.

A set of baseball uniforms owned by the city is available for the team.

The committee is asking pledge donations of \$15 from local merchants and interested citizens.

The committee consists of the following: Marvin Goetsch, Swayne Johnson, Harold Roberts, and Jack French.

BAROMETER

An aneroid barometer is an instrument for measuring atmospheric pressure.

YOU CAN take nothing greater to the heathen world than the impress and the reflection of the Love of God upon your own character. That is the universal language. — Henry Drummond.
