Normandie Recreation Plan Told

Normandie now has a full-time recreation director for girls, Miss Alice M. Dunbar. Miss Dunbar, who may be reached at the playground, 1326 West 224th street, FAirfax 8-9873, is now organizing new activities for girls of all ages and small boys. She hopes to include a women's group as well.

Any women interested in a "slim and trim" class, including exercising, dancing, and games, or a handicraft class, are asked to register with the new director in person or by phone any afternoon Monday through Friday. If enough are interested, the activities will start right after New Year's.

A children's song, dance, and rhythm band class is starting Tuesdays and Fridays from 3 to 4 p.m. A song and dance class for older girls will be held Tuesdays from 4 to 5 p.m., under the accompaniment of Mrs. Thelma H. Berkeley.

There will be a girls' and boys' teen-age social dance class on Fridays from 4 to 5 p.m.

Any groups other than religious or political may apply for permits to use the building. A community Christmas party for elementary school-age children will be held Friday, December 18 after school.

The community night program will be held Friday, December 18, at 7:30 p.m., to be followed by a teen-age dance from 8:30 to 10:30 p.m.

Any volunteer talent desiring to take part in this program should contact either Miss Dunbar or R. Valerio as soon as possible.

Bothered by bathroom barricades?
HELP YOUR WIFE! HELP YOURSELF!
THIS CHRISTMAS GIVE HER AN AUTOMATIC GAS CLOTHES DRYER
GAS
Only gas dries clothes so fast—costs so little to run
 Why not make every washday a sunny day for your wife? Give her an automatic gas clothes dryer for Christmas.
 Delicate fabrics dry perfectly in minutes in an automatic gas clothes dryer—free your bathroom from nightly barricades of of lingerie. Even ordinary clothes placed in automatic gas clothes dryer are ready for storage or ironing in minutes.
 An automatic gas clothes dryer provides ideal drying weather any time, day or night, rain or shine. It eliminates backyard lines and heavy baskets. It reduces clothes drying to tossing rinsed laundry in your dryer, setting the control, then removing the sweet-smelling dried clothes.
 Visit a dealer or your Gas Company and see the dryer displays.
 Insist on an automatic GAS clothes dryer because gas outsells other types here for 3 very important reasons:
 1 Gas dries clothes faster than any other fuel—faster even than sunshine.
 2 Gas costs so little—dries clothes for less than 2¢ per dryer-full.
 3 Automatic gas clothes dryers cost less installed—cost less in the long run, too.
