Tuberculosis costs the American people well over \$350,000,000 each year for hospital and other medical and nursing care, case finding, health education, rehabilitation, relief payments, medical research, and pensions to veterans. Most of this money comes out of the taxpayer's pocket.

### A-S Park Staff Gets Addition

Clee Rothwell is a new member on the staff at Avalon-Sepulveda Park. He is a physical education major at El Camino Jr. College. He played varsity basketball at Fremont High School. Basketball is still his favorite sport in college.

Clee also won the Rotary Club award for architectural drawing and the Bank of America's award for industrial arts.

He says his greatest thrill came, however, in the Ford Industrial Arts awards contest, winning 1st prize in the national contest in the architectural division.

All boys are invited to come and meet Clee Rothwell and to tell Neil Case goodbye. Neil is leaving for the army, Monday, December 14.

### Alter Opens 10th Office

Real estate office No. 10 of Alter Realty & Insurance will be the new designation of the corner of Torrance boulevard and Crenshaw, former office of the Home Loan Realty, according to a purchase agreement reached between Gerald L. Alter, president of Alter Realty & Insurance and H. B. Bolas, owner, and R. G. Miller, sales manager of Home Loan Realty.

This new office will be under the management of R. W. "Bob" Clayton, a long-time Torrance resident and former sales manager for the main office of Alter Realty, and he will be assisted by his father, Phil Clayton, and his brother, Jack Clayton, and Florence Sommers, formerly with Home Loan Realty.

This office will specialize in homes in the Torrance Gardens and Plaza area, as well as handling general real estate.

Harry Peterson, formerly with Home Loan Realty, is now associated with Alter Realty & Insurance and will work out of the main offices at 1436 Marcellina avenue, Torrance.

WE SHOULD endeavor to be long-suffering, faithful, and charitable with all. To this small effort let us add one more privilege—namely, silence whenever it can substitute censure.—Mary Baker Eddy.

### Santa To Be At A-S Park

The children at Avalon-Sepulveda Park are waiting with great anticipation to see Santa Claus when he comes to their party at the park on December 19 at 2 p.m. He has promised to be there and watch them play games and talk to all the children that haven't talked to Santa Claus yet or who forget a few things the last time they talked, or who wish to remind him of what they have already asked for.

Santa Claus or one of his helpers will also come to the pre-school party on Friday, December 18, at 10 o'clock. The party is for the pre-school class, meeting regularly on Tuesdays and Fridays, and for children who are not five years old yet.

It is felt that the younger children would not have an ample opportunity to talk to Santa Claus if they came to the big party on Saturday. This also is co-sponsored by the Avalon-Sepulveda Park Recreation Council and the Los Angeles County Department of Parks and Recreation.
