Group Adopts Carson Name Officially

Confusion may soon be at an end with the official adoption of the name "Carson" by the Harbor District chambers of commerce for the diversified county area bounded by Wilmington avenue, Lomita boulevard, Normandie avenue, and 190th street.

The organization has issued a resolution calling for the adoption of the name by other civic organizations and official records. Supervisor Burton W. Chace also indicated that he would be favorable to official adoption of the name.

Indications are that the new name will be adopted. The name, it was reported, will not replace present names but be a superimposed name for the entire area.

P-TA Presents Panel Discussion

"Is Discipline Necessary" was the topic of the panel discussion led by Mrs. Martin White, Mr. Harold Ball, teachers, and Mrs. James Triffon, P-TA member, when the Harbor City P-TA met Thursday evening, January 21 at 7:15 p.m., in the school auditorium.

Fifth grade room mothers were the hostesses. Mesdames D. G. Check, Glenn Allen, Robert-Easton and James Bloomer.

Sorority Meets

Mesdames Jim Emmons, Don Fisher, and William Raines, of Torrance, were among the members present at the January meeting of the Lambda Eta Chapter of Beta Sigma Phi Sorority, at 1448 Olympiad Drive, Los Angeles.

Dominguez Council Formed

Among the projects undertaken by the newly organized Dominguez Community Council are a civil defense program planned in co-operation with the American Legion Post No. 833 and obtaining adequate traffic safeguards for persons using Carson street and Santa Fe avenue.

One of the main functions of the council is to act as a "clearing house" for the meeting dates and projects of other organizations in Dominguez, according to Al Rupp, chairman.
