Kansas City orphanage, has sung his way into the hearts of millions of record and radio fans. He started his radio career at the age of 12 when he skipped school to sing over the air waves in Kansas City.

Minstrel of Midlands
 He was born in the community of Enid, Oklahoma, in 1922, and is part Cherokee Indian, making him an authentic "Minstrel of the Midlands."
 At the age of 16, Walker struck out on his own and landed a cowboy balladeer job over station WXYZ in Detroit, Michigan. Since then he has tramped across the country being featured on television and radio programs and playing vaudeville and night club engagements.

Air Force
 Dusty's career was interrupted by the war. He enlisted in the Air Corps in 1942 and made his first solo flight on Oct. 7, 1942.

He was married in 1942, just before going into the service, to Zerlinda Nash, a singer, who was his partner on stage and radio. They picked up their career after the war on Denver stations.

AN ARBOR DAY program was held on March 19 at Scott Park. The Girl Scout Troop 537, and Boy Scout troops 225 and 225C planted an appropriate tree in the picnic area.

FINCH FILES PAPERS

A winning campaign was promised voters of the seventeenth Congressional District by Robert H. "Bob" Finch, Inglewood attorney who polled more than 92,500 votes in 1952, as he filed nomination papers for Congress with Registrar of Voters Benjamin S. Hite.

Finch, a Marine Corps officer during both World War II and the Korean War, engaged incumbent Cecil King in a strong political battle in 1952 with a whirlwind campaign which forced King into his first runoff in all his years in Congress.

The officially endorsed candidates of the seventeenth Congressional District Republican fact finding committee, Finch also filed on the Democratic ticket for the June 8 primary. He is a partner in the law firm of Finch, Bell, Dultman & Jekel and a trustee of Palos Verdes College.

His political experience includes the office of Executive Secretary to Norris Poulson when the Los Angeles Mayor was representing California in the United States Congress; California Delegate to the 1948 National Republican Convention; and vice-chairman of the Los Angeles County Central Committee.
