

Eleven Vie For Titles In Teen Contest

Six boys and five girls have been registered in the Second Annual Carson Chamber of Commerce Teen contest and carnival, general chairman Herb Blank reported today.

The chairman said he expected at least half a dozen more to file this week before the extended deadline of April 23.

Chet Smith, chairman of the contest, said several prospective entrants had called for information and he predicted that the girls would outnumber the boys before the deadline is reached.

Henry Blythe, chairman of the prize committee, said additional awards, to be given contestants, had been secured, and would be ready for distribution as soon as contestants became eligible. These awards are in addition to the \$100 wardrobe to be presented each of the winners.

Top prize in this year's carnival-contest will be a 1954 automobile purchased from a local dealer. Candidates have an opportunity to win camera, pen and pencil sets, sweaters, bathing suits and other valuables in addition to the wardrobe.
