New Richfield Station Plans Grand Opening

The new Richfield station, corner Crenshaw and Torrance boulevards, will hold its grand opening celebration this weekend with many valuable prizes being given away Friday night at 9:15 p.m.

Among gifts to be given away are a three-speed English bicycle, toaster, and many others.

Owner of the new Richfield station is Elton Ketter, who has been in the service station business for 20 years in the South Bay area.

"We intend to give the public quality service," Ketter stated. Ketter, who lives in Long Beach with his wife and son, intends to move to Torrance at the earliest time possible.

Recipient of a full tuition scholarship, Warren Bennett, a public administration major at El Camino college, will enroll in the University of Southern California for upper division work this fall, he announced today.

A resident of Torrance and a graduate of Torrance High School, Bennett is the son of Mr. and Mrs. P. G. Bennett, 24651 Hawthorne boulevard.

DEAN L. SEARS, out-going president of the Torrance dental health association, accepts a \$400 check on behalf of the organization from Miss Catherine M. Chisholm, president of the

Torrance education association. Looking on are Mrs. Sears and Paul Diamond, in-coming president.

An additional check of \$50 was given to Sears by the Torrance Woman's Club to benefit the dental program.

KNIGHT IS RIGHT

FOR CALIFORNIA

THE AFL SAYS: "There is only one candidate for Governor who is worthy of Labor's support — Goodwin J. Knight!"

TAXPAYERS SAY: "Knight doesn't just talk a good job. He does it. He said he wouldn't ask for more taxes while millions lie in the State vaults — and he didn't. He submitted a careful, constructive economy budget — and won Legislative backing for it."

BUSINESS SAYS: "California's governmental training system has given Goodwin Knight 7 years of experience, as Lieutenant Governor, in dealing with Statewide problems. The apprentice system works in Labor. It works in Business. Governor Knight's record proves that it works in Government!"

Let's not trade a man who knows the job — for a man who's willing to learn."

PARENTS SAY: "Governor Knight cracked down on the youth-destroying narcotics traffic and made the first move in 20 years to clean up liquor control."

GOVERNOR KNIGHT SAYS: "Government's true function in a democracy is not to rule, but to serve — with humble respect for the God-endowed rights of each individual citizen."

DEMOCRATS SAY: "The Cornerstone of Democratic Government is not the Party — but the Man. And this year the Man is Knight!"

ON ELECTION DAY — JUNE 8 — ALL CALIFORNIA WILL SAY KNIGHT IS RIGHT FOR CALIFORNIA!
