No. Torrance Unit Supports Norteen Club

At the first meeting of the newly elected executive board of the North Torrance Elementary PTA held last Thursday at the home of Mrs. Francis Stoeckle, president, the chairmen of the various committees appointed by the president were ratified.

It was unanimously agreed to support the project of the Norteens, the North Torrance club for teen-agers, by offering the services of the board members as chaperones during the summer, and to enlist the aid of other PTA groups in this worthwhile project.

A "get-acquainted" potluck dinner for the executive board members and their husbands was tentatively planned for July.

The next regular meeting of the executive board will be held in October.

Polio Drive Nets \$1380

A total of \$1380 was netted by the local Sister Kenny polio drive held during May, according to Mrs. H. J. Osborne, drive chairman.

This year's fund raising campaign netted about \$300 more than last year's. Responsible for collecting \$500 of this year's amount was the Torrance Woman's club which will be awarded a silver candle, Mrs. Osborne stated.

"I'd like to thank everyone who helped," Mrs. Osborne declared. "This year's fine showing could not have been possible except through the hard work of those who helped and the generosity of the public."
