GLENN KOGER

Rome Cable Appoints New Manager

The appointment of Glenn Koger as manager of the Torrance plant of the Rome Cable Corporation, effective July 1, has been announced by A. D. Ross Fraser, president.

Gilbert Woodill, who has been acting manager of the Torrance plant for several months, has recently been elected as assistant treasurer of the company. Koger is an electrical engineering graduate of Kansas State college, in the class of 1929. He was with the General Electric Company for 19 years, 17 of that time in the insulated wire department at Bridgeport, Conn. He was Designing Engineer there for 8 years, and head of the Engineering Department for 5 years.

In 1948 Koger joined Walker Brothers, manufacturers of electrical construction materials, in Conshohocken, Pa., as Vice-President in charge of copper products, and a director of the company. He served in that capacity until March, 1954, when he went with the Rome Cable Corporation.

During the Korean War Koger served as a member of the National Advisory Committee of the Insulated Wire Industry, working with both the National Production Authority and the Office of Price Stabilization.
