259th PLACE SCHOOL 'Progress Through Action' P-TA Theme For 1954-55

"Progress Through Action" is to be the theme for the 1954-55 session of the 259th Place School P-TA. Under the direction of Mrs. J. W. Greager, program chairman, her committee of Mmes. J. C. Powers, R. W. Gerhart, W. E. Zell and F. Deck, worked to put together a varied program for the coming year.

The program was approved by Miss Frances Dastarac, school principal.

Each monthly program will stress room exhibits by each school grade with students doing the planning and demonstrating. This student participation is a new idea.

Among the program discussions will be a panel of four

foreign students from Harbor JC to compare the American way of schooling with theirs. There will be a film and speaker from the Heart Association to discuss "every day living as it applies to the heart of a woman."

Mrs. Gilbert Myers will narrate films of Europe taken on a recent tour.

Mrs. Creager has also planned a "do it yourself show" which will exhibit the talents of the P-TA members. The faculty members are scheduled to give a skit in April.
