

Council P-TA Holds Press Workshop

The Torrance Council P-TA publicity workshop was held in the lecture room of the library

on Friday, June 25 from 10 to 11:30 a.m. under the chairmanship of Mrs. Louis Dyer, council press chairman.

Under discussion was the information put forth through Thirty-third District and also the California Congress of Parents and Teachers.

Chairmen present were reminded that every newspaper has its own style which must be adhered to in the preparation of all copy.

It was further stressed that

a press chairman should be an informed and interested member of her association, and should be available, reliable, unbiased, cooperative, impersonal, vital, friendly and should have a sense of humor.

Aside from having local unit representation, Mrs. W. A. Wright, president of the Torrance Council was present along with Mrs. J. L. Hinds, former press chairman for the council and present president of the Torrance high school P-TA

which in turn will be surrounded by an outer circle of shops and other facilities.

The center will be designed for the convenience of "week-end contractors" and "do-it-yourself builders." It will be a complete building supply center.

About six people will be employed there in the beginning. The center will be known as "Home Service and Supply" and will be operated by Curtis Burks. Ground will be broken within 30 days after the lease is negotiated.

TO YOU THE PUBLIC:

Our fiscal year in the carpet business ended June 30th, and that means inventory time for us and savings time for you. Looking over our stock we find that we have had a very good year—but due to the many, many sales we are left with roll ends—room size remnants, etc. These we are passing on to you at a big savings.

Sincerely yours,
 PETER RECORD
